Occasional lunches (12:00-1:30) Not more than twice per week	\$ 20 per day
Occasional afternoon childcare (obtainable by prior arrangement and subject to the availability of space)	\$ 20 per hour

**please note children attending these schedules do not attend during winter or spring break or on snow days when the school is open for child care only.*

In order to have your child's name place on our waiting list, we must receive a completed application along with a \$50 non-refundable application fee. Registration will begin in March for the following school year. Preference is given to siblings of previous pre-school students and children starting in our summer program.

Our monthly fees are based on a yearly tuition and are divided into monthly payments for your convenience. There is no credit for vacations or time missed during the school year with one exception. Students who have been enrolled at the pre-school full time are entitled to a two-week vacation credit after one year. This credit does not carry over to the summer program and must be taken while the child is still attending the pre-school. September is considered a full month so tuition is not pro-rated. June tuition at the end of the school year will be pro-rated according to the number of school days in the month.

Tuition is due on the first of the month in advance. A \$20 late fee will be assessed if tuition is not received by the 5th of the month unless special arrangements are made. There will also be a \$50 fee assessed for returned checks.
